Information for Patients

Carol qualified from Guys London in 1987.

With over 20 years experience in both NHS and private practice Carol is able to provide the highest standards of care.

She is skilled in the treatment of all forms of gum disease and prides herself on having a very personal touch to her care.

We were proud to have Carol join Hexham Dental Clinic in 2010.

Many patients have commented on how kind and gentle Carol is as well as being happy with her high clinical standards.

Carol feels lucky to really enjoy her job but outside of work is a proud mother of two.

She enjoys live music, walking and running and hopes to enter this year's Blaydon races!
